Juror- Judy Smith- Bio

Hungarian Born Judy Smith is the founder of Westmount Gallery in 1976. The first gallery was opened on Bloor Street beside the Catholic Church; the second building she purchased on Dundas Street and the third building on Advance Road.

Judy ran the Westmount Gallery until 2020 at which time she sold both the building and the business. What an amazing career thanks to the amazing clientele - lifelong relationships were established with clients and incredible artists.

Today, Judy is restoring paintings from her studio at home for 4 galleries and individual clients and helps June at Westmount once a week. Retirement is a happy place so far.
