

MANDALA MADNESS

This activity allows you to add patterns into any picture you want to decorate. All you need to do is think of as many possible patterns there are. You can even find them in your home too! Draw any picture you want, add patterns in, and fill it up until you get a finished product - inspired by the geometric design of a Mandala.

MATERIALS

- Paper
- Pen or pencil
- Pencil crayons or markers: red, yellow, blue, orange, green, purple, brown, black, gray

PATTERNS

Think of all the possible patterns out there! Sketch several of them:

BRAINSTORM

Do some quick doodles of the image you want to add patterns to.

STEP 1

Pick an image and draw it large enough to cover your paper.

STEP 2

Use long and short lines to divide your image into different sized shapes.

STEP 3

Use your pencil crayons or markers to fill each shape with a different pattern and colour.

Tip: Don't use the same pattern next to each other

STEP 4

Keep going with different pattern-colour combinations.

And don't forget to sign your work!
